

Lonestar Delivery & Process' Environmental Courier Services helps Industry keep Galveston Bay and Ship Channel Cleaner

FOR IMMEDIATE RELEASE

Seabrook, Tx- 1 Jan 2008

Expanding on an existing niche market in the Industrial Sector, drivers for Lonestar Delivery & Process will be helping in the fight to keep The Ship Channel and the Waters of Galveston Bay Cleaner and Safer for the environment.

Custom Route services, designed to pickup and deliver critical test samples for water treatment facilities in and around the Houston Metro Area will commence this week for State monitored agencies, as part of an ongoing effort to maintain the quality of treatment facilities- and the environment.

"We are excited to be a part of this ongoing effort by industry to keep Texas Cleaner" remarked Chris Kurzadkowski, Owner and Founder of LoneStar Delivery & Process.

Drivers are trained to Identify, account for and maintain appropriate transport of over 100 samples per route run, of water that has undergone treatment and is due to be returned back into the environment, after being used by various different companies in the Petrochemical Industry. Included is chain of custody and care requirements of these samples, to insure proper accountability.

LoneStar Delivery & Process has been doing on demand services of this nature for several large Petrochemical companies in the past, but this venture marks the first time couriers are used to play a part in scheduled service of this nature.

Lonestar Delivery & Process was selected for their specialized training, and custom approach to "engineer" a specialized delivery solution to meet clients needs.

Take a look at what **LoneStar Delivery & Process** has to offer to your Legal, Medical, Professional or High Tech business. With a variety of services and the training, technology and experience to insure performance, you'll soon see why hundreds of companies in the Houston/Galveston Metro area choose LoneStar time and again to deliver for them. Should you have any questions, please do not hesitate to call.
