Houston, TX October 1st, 2006

That was the introduction that Chris Kurzadkowski, Founder and owner of **LoneStar Delivery & Process** used to launch his Specialized on demand courier and attorney messenger services to the areas chamber of commerce presentation of new business last month- and what an impact it made.

LoneStar Delivery & Process brings to the table better technology, with one of Houston's most sophisticated tracking and ordering systems that is fully interactive with both drivers and customers. With over 30 years in the same day small package industry, the company also brings a high degree of professionalism, unmatched skill and experience- and a sense of pride unlike any other. The company's website. **www.lonestardeliveryonline.com** is a fully interactive web portal that includes online order entry, REAL-time tracking, pricing, services and detailed information about the company's capabilities and dedication to service.

Chris's playful comment that a driver for **LoneStar Delivery & Process**, "Stands for truth, justice, quality and on-time dependability" painted a picture of a modern time of heroes in business, and brought attention to the unique level of service that the company brings to bear.

The companies motto- "**We're Texans Serving Texans- 24 hours a day- That's the LoneStar Way!**" has a dual meaning, said Kurzadkowski
